MARCH 22, 1926.

To The Trade:

This Bulletin covers Boxed Lots in cold storage at St. Louis and Boxed Lots in cold storage at Rochester, New York. Our offices in St. Louis and Rochester are now open for the dispatch of business. "Quick action" is the motto of both offices.

A code word is given for each boxed lot, and your orders by wire or letter will get the goods rolling **RIGHT NOW**—or will reserve for later shipment as desired.

WEIGHT OF BOXES is given so that you can figure on express shipments intelligently.

Do you realize that Cold Storage is a very valuable thing to the Nurserymen? These Boxed Lots are kept in a uniform temperature of 33 degrees. It retards the flow of sap and thereby prolongs the planting season for weeks. The landscape planter in Florida even can draw on these Boxed Lots as late as April 15th and receive stock in perfect condition. Bear this in mind if you are now wondering how you can handle all your planting work this spring. Book the order, let us reserve the boxes for shipment after the middle of April if desired.

TERMS and Conditions of Sale as per our regular Trade List; cash with order where purchaser's credit is unknown to us.

ORDERS booked in rotation as received.

Always name second choice if possible.

Shipments will be made when desired.

RUSH SERVICE on Boxed Lots is easy; no packing to do, simply grab a box and get it on the express wagon or dray. Henry Chase is in St. Louis and Robert Chase in Rochester to handle the shipping. If possible get your freight orders to us before 3:00 p.m., for shipment that day. Express orders will go out on night trains, if received by 4:30 p.m.
